WHO BENEFITS? WHO SHOULD CALL?

This "live" worship is ideal for RV campers, outdoor folks who love to get away, those who are shut-ins, those hospitalized, those with mobility difficulties, travelers, vacationers, those fishing, hiking, sitting beside a pond or even those out walking the dog. It's for anyone who wants to experience a real faith community, worship, music and God's life-changing word on a Sunday morning from the convenience of a telephone call.

What's the Worship like?

We gather as a faith community at 9am eastern time. We hear any announcements, listen to a worship song, then get to share prayer requests, have a time of prayer, listen to scripture, a sermon, and a response piece. Then we are sent off with a final worship song and a benediction.

The worship service lasts about 40 minutes.

It's easy and is designed to be interactive and life-changing.

<u>Please note</u>: You don't HAVE to say anything. You are welcome to call in, quietly listen, worship and "sit in the back pew." "FIRST MOBILE CHURCH ALLOWS THOSE OF US WITH HEALTH ISSUES TO BE PART OF A REAL WORSHIPING COMMUNITY."
